Attachment B

27 Executed Agreements

- 1-5: Cooperative and Interlocal Agreements
- 6-10: Acquisitions and Appraisal
- 11-13: Event and Facility Agreements
- 14-16: Leases and Property Sale
- 17-27: Right-of-Way and Service Provider Agreements

Executed Agreement Types

1. **Service Provider** - an agreement through which an individual or firm provides professional services to the NDOT
2. **Cooperative** - an agreement between two or more public agencies for the “joint exercise of powers, privileges, and authority”
3. **Interlocal** - an agreement by public agencies to “obtain a service” from another public agency
4. **Acquisition** – the act of acquiring (example most used by NDOT: property)
5. **Lease** – a legal agreement that lets someone use a car, house, etc., for a period of time in return for payment
6. **Appraisal** – the act of judging the value, condition, or importance of something (example most used by NDOT: property)
7. **Event** – a planned occasion or activity (example most used by NDOT: specific touring car groups)
8. **Facility** – tangible property that is built, remodeled, relocated, or upgraded for a specific purpose (can be related to a Lease)
9. **ROW Access** – to gain access to another entities property for a short period of time for a variety of purposes (example most used by NDOT: reconstruction of a driveway due to repaving activities)
