

Draft Transportation System Projects

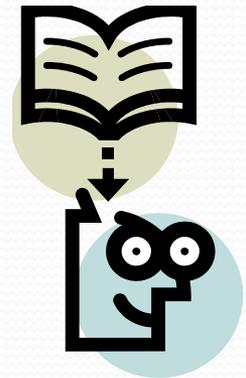

overview

- 2014 Work Program
 - Annual work program
 - Short range element
 - Long range element
- 2014-2017 STIP-
Statewide Transportation Improvement Program

Work Program VS. STIP

- Elements of the work program;
 - 2014 annual work
 - 2015-16 short range plan –
 - 2017-23 long range plan-planning stage , all agencies
 - Board **approves** in compliance with NRS 408.203
- Elements of the STIP;
 - The 2014-2017 – shows all federal funding sources, FTA
 - Fiscally constrained
 - Must incorporate the Regional TIP from all 4 MPOs
 - RTIPS Approved by MPO Boards
 - **Accepted** by NDOT Board per Title 23

TSP/STIP/WP- revision schedule

- Jan. Workshops with counties, MPOs, etc
- April/May 1st draft made available for review
- June/July Tours to county Commissioners
- Aug. Draft out for public comment
- Oct. Final to the Board for acceptance
- Oct./Nov. Approval by FHWA and FTA

TSP/STIP/WP- Next Steps

- Draft document at October meeting
- Some major revisions, i.e., align the STIP with the TIP, update project scope or budget, correct oversights
- Prepare a final draft for the Nov. Board meeting
- Send to FHWA and FTA for approval and to EPA for consultation
