

1-1/2 YEAR
construction schedule

KINGSBURY GRADE
PAVEMENT RECONSTRUCTION PROJECT

BEFORE MEMORIAL DAY & AFTER LABOR DAY

Day and Night Work Shifts

- Work 24 hours per day 6 days per week

24/7 Traffic Control

- Up to a two mile lane closure
- Flagger controls with one way alternating traffic
- Delays up to 30 minutes. Totally dependent on the amount of traffic.

Kingsbury Grade Closed to Through Traffic

A Roadway will be closed at the summit just east of Tramway Drive. Only emergency vehicles, construction traffic, and project coordinated public transit will be allowed through. Full access will be continued via US50.

MEMORIAL DAY - LABOR DAY

Night Work

- All work will be done at night.

B One lane will be closed from Pine Ridge Drive down to US50 24/7. This will still leave one lane of traffic open in each direction with no flagger controls.

- Flagger controls with one way alternating traffic only during night shifts.
- Road will be open with one lane in each direction for days, weekends, and holidays.
- Small potential for isolated incidents where day work might be required. Extremely limited use if at all.

Kingsbury Grade Open to Through Traffic

- Full access over the summit.

TOGETHER,
we're making the grade.

3 YEAR construction schedule

KINGSBURY GRADE PAVEMENT RECONSTRUCTION PROJECT

MAY 1 – OCTOBER 15

One Shift per Day

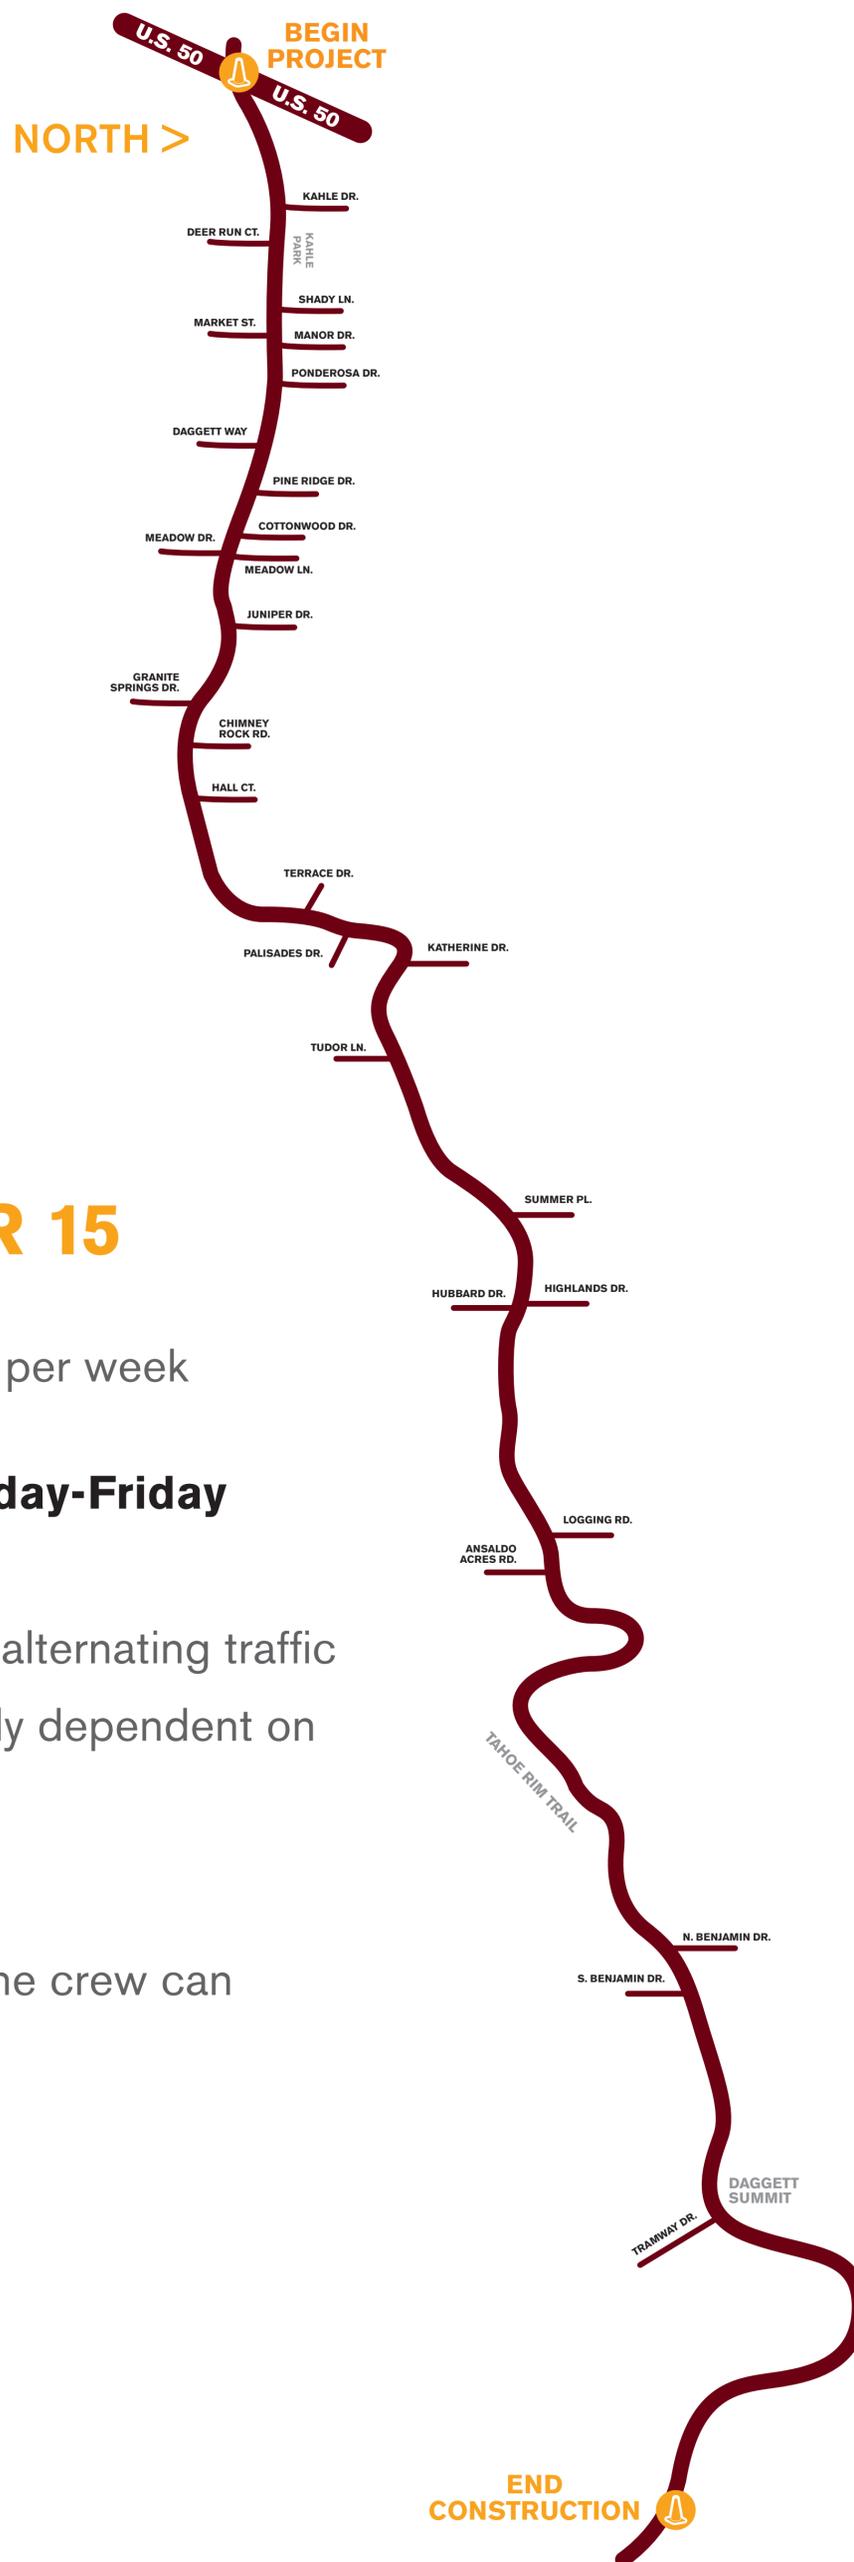

- Work 12 hours per day 5 days per week

24-Hour Traffic Control Monday-Friday

- One mile lane closure
- Flagger controls with one way alternating traffic
- Delays up to 30 minutes. Totally dependent on the amount of traffic.

One Crew per Day

With a limited work area, only one crew can effectively work.

TOGETHER,
we're making the grade.
