

## ► I-515 ALTERNATIVES DEVELOPMENT STUDY PUBLIC MEETING

**PURPOSE OF MEETING:** The Nevada Department of Transportation (NDOT) will hold a public meeting to provide information about the I-515 Alternatives Development Study, and to gather public input on proposed concepts being developed to improve operations and safety through Downtown Las Vegas, from I-15 to Charleston Boulevard along I-515. Come learn about this exciting study, designed to maximize benefits to the traveling public, review proposed concepts, and provide your feedback.

**WHY:** Due to high traffic volume and existing geometric issues, I-515 currently experiences impaired traffic flow and higher than expected crash rates. This study aims to improve traffic flow and safety on I-515 between I-15 (Spaghetti Bowl) and Charleston Boulevard by implementing near-term and cost-effective transportation improvements.

**Thursday, March 31, 2016  
4:00 - 7:00PM; Presentation at 5:30PM**

**East Las Vegas Community Center  
250 N. Eastern Avenue, Las Vegas, NV 89101**

**WHERE YOU COME IN:** Input from the public is a key component of any successful transportation project. You're invited to join us at the meeting, where you will be able to view various displays of proposed concepts, talk with project staff and submit comments in writing or in person to a court reporter. Written comments will be accepted until 5:00 PM, April 15, 2016. Please submit comment to Dwayne Wilkinson, Sr. Project Manager, Nevada Department of Transportation, 123 E. Washington Avenue, P.O.
